

I write this because we all need to be watchful as the bible says in Jeremiah, “Blow the trumpet, Sound the alarm”. Many are asleep in the world, ... many simply “don’t want to know”. But God has made His plans clear both in Jeremiah 51:8-15 and Revelation 18. **Mystery Babylon is the United States.** Revelation 18 makes the coming destruction even clearer. If you think back a little you may recall that America is the inventor of the internet, which is now a world wide medium that crosses the globe in seconds. This medium, even from it’s early start up has been fraught with evil. What evil?, you say. Virtually every evil known to man is shown on the internet. Unwanted advertising of every sort is forced into your computer every day, selling drugs, every type of pornography, evil games showing spirit characters representing fear, killing, revenge, and war. Yes there is good there too, we know that, and the devils favorite form of deception is mixing truth or good, with lies and sin. Eve in the garden of Eden was the first to be lied to and deceived into sin. The internet which the U.S. invented has caused the Entire World to be seduced by it’s presence of sin. America introduced the world to movies. Brothers and Sisters, I tell you that EVERY Movie either tells a LIE,... in one form or another, Or is itself an outright Lie.! I grew up watching movies and TV, and both have brought forth sin and more sin as the years have gone by. So much sin that today we have grown cold and indifferent to the evil and sin we see. Movies and television showing killing, murder, and rape, infidelity, sex, and lying are an everyday event on television and movies. America has taught, and is still teaching these things thru the internet, movies and television. America invented these things, and sold them to the world. Today there is no country in the world that you can visit, that doesn’t have these sinful attractions. America has brought you these sins, and distributed them All Over The World.!

Some people do not believe what I have just said, “Babylon is the United States” in Bible prophecy. Read the verses carefully, and prayerfully. Jeremiah 51:8-15, and Revelation 18, the entire chapter. Remember, God Never does anything big without warning people. Sister White said:

God Has Always Warned of Coming Judgments

God has always given men warning of coming judgments. Those who had faith in His message for their time, and who acted out their faith in obedience to His commandments, escaped the judgments that fell upon the disobedient and unbelieving. { LDE 13.1}

The word came to Noah, “Come thou and all thy house into the ark; for thee have I seen righteous before Me.” Noah obeyed and was saved. The message came to Lot, “Up, get you out of this place; for the Lord will destroy this city” (Genesis 7:1; 19:14). Lot placed himself under the guardianship of the heavenly messengers and was saved. So Christ’s disciples were given warning of the destruction of Jerusalem. Those who watched for the sign of the coming ruin, and fled from the city, escaped the destruction. So now we are given warning of Christ’s second coming and of the destruction to fall upon the world. Those who heed the warning will be saved.—The Desire of Ages, 634 (1898). { LDE 13.2}

It is often claimed that Sister White said the fallen churches are Babylon, here is the statement copied directly from Gospel Workers:

*We need to understand that God will add to the ranks of His people men of ability and influence who are to act their part in warning the world. Not all in the world are lawless and sinful. God has many thousands who have not bowed the knee to Baal. There are God-fearing men and women in the **fallen churches**. If this were not so, we would not be given the message to bear: “Babylon the great is fallen, is fallen.” “Come out of her, My people.” [Revelation 18:2, 4.] Many of the honest in heart are gasping for a breath of life from heaven. They will recognize the gospel when it is brought to them in the beauty and simplicity with which it is presented in God’s word.... { GW 346.3}*

One more statement from Life Sketches:

Hope Renewed

Our hopes now centered on the coming of the Lord in 1844. This was also the time for the message of the second angel, who, flying through the midst of heaven, cried, “Babylon is fallen, is fallen, that great city.” Revelation 14:8. That message was first proclaimed by the servants of God in the summer of 1844. As a result, many left the fallen churches. In connection with this message the “midnight cry” [See Matthew 25:1-13.] was given: “Behold, the Bridegroom cometh; go ye out to meet Him.” In every part of the land light was given concerning this message, and the cry aroused thousands. It went from city to city, from village to village, and into the remote country regions. It reached the learned and talented, as well as the obscure and humble. { LS 59.1}

This was the happiest year of my life. My heart was full of glad expectation; but I felt great pity and anxiety for those who were in discouragement and had no hope in Jesus. We united, as a people, in earnest prayer for a true experience and the unmistakable evidence of our acceptance with God. { LS 59.2 }

Now I am not the one who will tell you I don't agree with Sister White, for God has given us many wonderful and powerful messages thru His servant EGW. I will call your attention to the dual meanings of things, both in the Bible and in other messages from many ministers and even God's servants. Moses in anger struck the rock in the wilderness to give the people water, but mistakenly did not give the glory to God and from then on could not be translated without seeing death.

Here is an instance where EGW changed her message, it was regarding tithes to widows of ministers. The first examples are of earlier views in which only ministers were to receive tithe. There are also many admonishments on the misuse of tithe, including using tithe for church expense.

A Letter to Elder Daniells

*I send you this morning a letter written for America, and sent there yesterday morning, which will show you how I regard the tithe money being used for other purposes. [See Special Testimonies to Ministers and Workers 10:16-24.] This is the Lord's special revenue fund, for a special purpose. I have never so fully understood this matter as I now understand it. Having had questions directed here to me to answer, I have had special instruction from the Lord that the **tithe is for a special purpose, consecrated to God to sustain those who minister in the sacred work, as the Lord's chosen to do His work not only in sermonizing, but in ministering.** They should understand all that this comprehends. There is to be meat in the house of God, who believe the truth, to give a faithful tithe to the Lord, and **ministers should be encouraged and sustained by that tithe.** Letter 40, 1897, p. 1. (To Elder A. G. Daniells, March 16, 1897.) { 1MR 187.1 }*

This would seem to indicate tithes are for supporting the ministers only, but at that time there was no tithe given to widows of ministers... However, she was shown that tithes were also to be used for teachers in schools who taught the Bible and later to widows of ministers.

Includes Bible Teachers

*Our conferences look to the schools for educated and well-trained laborers, and they should give the schools a most hearty and intelligent support. Light has been plainly given that those who minister in our schools, teaching the word of God, explaining the Scriptures, educating the students in the things of God, **should be supported by the tithe money.** This instruction was given long ago, and more recently it has been repeated again and again.—*Testimonies for the Church* 6:215. { CS 103.1 }*

Not a Poor Fund

*The tithe is set apart for a special use. It is not to be regarded as a poor fund. **It is to be especially devoted to the support of those who are bearing God's message to the world; and it should not be diverted from this purpose.**—*The Review and Herald Supplement*, December 1, 1896. { CS 103.2 }*

Tithe for widows of ministers

*Let us remember that God is a God of justice and equity. There would today be many more ministers in the field, but they are not encouraged to labor. Many workers have gone into the grave heartbroken, because they had grown old, and could see that they were looked upon as a burden. But had they been retained in the work, and given an easy place, with a whole or part of their wages, they might have accomplished much good. During their term of labor, these men have done double labor. They felt so heavy a burden for souls that they had no desire to be relieved of overwork. The heavy burdens borne shortened their lives. **The widows of these ministers are never to be forgotten, but should if necessary be paid from the tithe.** { 7MR 137.3 }*

The point is that sometimes the complete information is not always available and thus, as God reveals more truth so the message/s change with the newer revelations.

You see, in the 1800's when Ellen White was alive, there was no evil internet, no movies, and no television. So the only Babylon that was biblically known was the fallen churches, or that is, churches who did not teach the full truth or followed Rome. I suggest to you that although the fallen churches are **part** of Babylon, they are not the

only part of it. **Babylon is a whole system which America has become** as she has caused the whole world to follow after her, making the world drunk with her fornication, lies, drugs, and many other things that are unGodly.

Today, March of 2022, you can no longer trust anything you hear on the radio, or television or the internet. Lies are everywhere, and even in America, propaganda is legal now. So knowing that most everything you hear, or read, or see, is or can be, a lie, who do you believe. Do you realize that you live in an artificial world? Most of us don't grow any food, or fetch water, we go to the store and buy it, or turn on the tap at home and water comes out... We just pay bills, with money that is worthless for the most part. Cities are artificial man made structures.

What do we do if the electricity goes out? Water won't pump to our house, gasoline won't pump to our cars, and we won't be able to heat or cool our house... These modern conveniences will fail soon, are you ready?

What I am about to present to you is from God, thru His messengers and word.

Some of this is a reprint from a book "Blow the trumpet sound the alarm" written in the 1980's by Juanita Titus. A dear soul that is resting now waiting for the return of Jesus. She had a very unique and keen understanding of the Bible and how to study it. What follows are facsimile reproductions of her manuscript. This discussion is on the 'modern' wars of the 20th century. Identifying in the Bible, those wars, all the way up to World War III. Note that she had no computer and lived a very simple life in the country.

WORLD WAR III - FIRE BALLS FALL

DAN-11:29. ... "AT THE APPOINTED TIME".

(Ev. 29. 5 RH. 94. 9 T. 28)

29 At the ¹⁵time appointed he shall return, and come toward the south; but it shall not be as the former, or as the latter.

"At the time appointed (on a feast day) he (Russia - King of the North) shall return, and come toward (invade) the south (King of the South - U.S.); but it (the invasion or war) shall not be as the former" (Korean War), OR as the latter. (Vietnamese War.)"

THIS verse describes a future event, the next war. Russia after leaving the conference table (v.27) returns home (v.28) but soon comes back. (v.29). — this time to fight another war against the United States.

THIS next war will not be like either the Korean War OR the Vietnamese War. THESE two wars were so similiar in their basic characteristics that the Bible does not even give a separate description of the Vietnamese War. THE word "latter" is the only mention of the Vietnamese War. (v.29)

By examining the similiarities between these two wars and then considering what the opposite would be like, we can discover what the next war will be like. WE take the opposite characteristics of these two wars for the next war because in v.29. it says. in describing the next war, that "it shall NOT be as the former (Korean), OR as the latter. (Vietnamese War).

KOREA - VIETNAM WARS

- ① Both limited to small areas of the world.
- ② Both were fought back & forth across a line which divided the country into 2 sections — North and South.
King of the North on the North
King of the South on the South

WORLD WAR III

- ① World War
- ② Next war will be between 2 OR more countries.

KOREA - VIETNAM WARS (cont)

WORLD WAR II

③ Both wars used many modern weapons except one - NUCLEAR WARHEADS.

③ THE next war will be a NUCLEAR WAR.

Summarize: WE draw the conclusion from this study of Dan. 11:27-29, that the next war will be a world war which uses nuclear warfare.

GOD'S people will be warned ahead of time. A NATIONAL SUNDAY LAW (v.28) will WARN US that great destruction is coming on our nation. GOD will use Russia, an atheistic nation, to punish the United States for making a law against God's law, similar to the way he used the heathen nation of Babylon under Nebuchadnezzar to punish Israel for disobeying God in ancient times.

WE will also be warned of the exact time of this destruction. THE verse says that God has a "time appointed" for the war to begin.

WILL we know before hand when this appointed time is? Amos 3:6-7.

6 Shall a trumpet be blown in the city, and the people not be afraid? shall there be evil in a city, and the Lord hath not done it?

7 Surely the Lord God will do nothing but he revealeth his secret unto his servants the prophets.

EVERYTIME, in the history of the world, that God brings JUDGMENTS on people, He always gives a WARNING ahead of time.

DAN. 11:29. WORD STUDY -

"come toward" - 935 - come toward - supplied. 935 - (many words - but the following fit with a context of war) be fall, beseige, (cause) to come (against) (cause to) enter, go (to war), invade.

HOW FAR WILL RUSSIA COME TOWARD THE U.S.?

1828 WEBSTER DICT. (one of many meanings for come) COME - To come upon, to fall on; to attack or invade.

HOW DOES THE SPIRIT OF PROPHECY DESCRIBE THE WAR? (8)

Destruction of N.Y. City described. ... comes at an appointed time.

Testimonies vol. 9. p. 12-13.

On one occasion, when in New York City, I was in the night season called upon to behold buildings rising story after story toward heaven. These buildings were warranted to be fireproof, and they were erected to glorify their owners and builders. Higher and still higher these buildings rose, and in them the most costly material was used. Those to whom these buildings belonged were not asking themselves: "How can we best glorify God?" The Lord was not in their thoughts.

I thought: "Oh, that those who are thus investing their means could see their course as God sees it! They are piling up magnificent buildings, but how foolish in the sight of the Ruler of the universe is their planning and devising. They are not studying with all the powers of heart and mind how they may glorify God. They have lost sight of this, the first duty of man."

As these lofty buildings went up, the owners rejoiced with ambitious pride that they had money to use in gratifying self and provoking the envy of their neighbors. Much of the money that they thus invested had

been obtained through exaction, through grinding down the poor. They forgot that in heaven an account of every business transaction is kept; every unjust deal, every fraudulent act, is there recorded. The time is coming when in their fraud and insolence men will reach a point that the Lord will not permit them to pass, and they will learn that there is a limit to the forbearance of Jehovah.

The scene that next passed before me was an alarm of fire. Men looked at the lofty and supposedly fireproof buildings and said: "They are perfectly safe." But these buildings were consumed as if made of pitch. The fire engines could do nothing to stay the destruction. The firemen were unable to operate the engines.

I am instructed that when the Lord's time comes, should no change have taken place in the hearts of proud, ambitious human beings, men will find that the hand that had been strong to save will be strong to destroy. No earthly power can stay the hand of God. No material can be used in the erection of buildings that will preserve them from destruction when God's appointed time comes to send retribution on men for their disregard of His law and for their selfish ambition.

There are not many, even among educators and statesmen, who comprehend the causes that underlie the present state of society. Those who hold the reins of government are not able to solve the problem of moral corruption, poverty, pauperism, and increasing crime. They are struggling in vain to place business operations on a more secure basis. If men would give more heed to the teaching of God's word, they would find a solution of the problems that perplex them.

Evangelism p. 29.

The Metropolitan Masses

A View of Great Destruction.—Last Friday morning, just before I awoke, a very impressive scene was presented before me. I seemed to awake from sleep but was not in my home. From the windows I could behold a terrible conflagration. Great balls of fire were falling upon houses, and from these balls fiery arrows were flying in every direction. It was impossible to check the fires that were kindled, and many places were being destroyed. The terror of the people was indescribable. After a time I awoke and found myself at home.—Letter 278, 1906.

Because Large Cities Will Be Swept Away.—Everywhere there are men who should be out in active ministry, giving the last message of warning to a fallen world. The work that should long ago have been in active operation to win souls to Christ has not been done. The inhabitants of the ungodly cities so soon to be visited by calamities have been cruelly neglected.

The time is near when large cities will be swept away, and all should be warned of these coming judgments. But who is giving to the accomplishment of this work the wholehearted service that God requires? ... At the present time there is not a thousandth part being done in working the cities, that should be done, and that would be done if men and women would do their whole duty.—Manuscript 53, 1910.

Destruction of Thousands of Cities.—O that God's people had a sense of the impending destruction of thousands of cities, now almost given to idolatry.—Review and Herald, Sept. 10, 1903.

The destroying angels of God were at work. One touch, and buildings, so thoroughly constructed that men regarded them as secure against every danger, quickly became heaps of rubbish. There was no assurance of safety in any place. I did not feel in any special peril, but the awfulness of the scenes that passed before me I cannot find words to describe. It seemed that the forbearance of God was exhausted and that the judgment day had come.

The angel that stood at my side then instructed me that but few have any conception of the wickedness existing in our world today, and especially the wickedness in the large cities. He declared that the Lord has appointed a time when He will visit transgressors in wrath for persistent disregard of His law.

Terrible as was the representation that passed before me, that which impressed itself most vividly upon my mind was the instruction given in connection with it. The angel that stood by my side declared that God's supreme rulership and the sacredness of His law must be revealed to those who persistently refused to render obedience to the King of kings. Those who choose to remain disloyal must be visited in mercy with judgments, in order that, if possible, they may be aroused to a realization of the sinfulness of their course.

judgments before close of probation -

So you see, the Bible has prophecy that shows the war and it's aftermath. Now look at today, March, 2022. The American news media is claiming Russia is invading the country of Ukraine. Telling lies again, which is legal now. In fact, Russia warned the Ukraine that it would defend and protect its people who are Russian in the states of Donbass and Donetsk. These are two sub-states of the Ukraine that recently voted for independence and repatriation with Russia. Russia accepted these two states and it's people's as part of their country. The Ukraine did not want this and attacked innocent people who fought back with their own little army. Russia came to their aid and was fired upon first and this caused Russia to attack the Ukrainian army, not it's people. All of this could have been avoided if the Ukrainian president had listened to Russia plead for peace for it's people in Donbass and Donetsk.

This little war is not a real problem for Russia. But it has given Russia a way to prepare for WWIII and it is now doing so openly under the disguise of war with Ukraine. They are now openly moving not one, but two types of mobile nuclear missile platforms in open public area's where they can be seen. I don't want to distract your attention with details of how things are going over there. As Christian's we should be seeking God and making sure our own life is in order to meet God when He returns. I am reminded of the story of the 10 virgins in Matthew 25:1-13. Half were prepared and ready, the other half did not prepare and were locked out. I ask you, ***will you be prepared?***

As Ellen White stated above, God always warns people of impending disaster. America's sin has reached God and He warning us NOW. I want to bring your attention to a man God chose to warn America. He's not the only one who is warning people, but God did send him with a special message of warning. What follows below is taken from one of his messages given in a church here in America where he told part of his life's storie before being converted and how God performed many miracle's in his life to bring him here. His name is Dumitru Duduman.. The internet has several video's of this message if you desire to look them up.

Russians Bomb the United States!

You will ask, how do I know this is true?

There are 28 books throughout human history that people claim to be from God. How do we know which one is from God? Good question! Only the Christian Holy Bible contains prophecy (foretelling of the future) that has never missed. God tells us, if what the prophet says doesn't come true, he did not speak it.

THE TEST OF A MESSAGE

DEUT. 18:21 And if thou say in thine heart, How shall we know the word which the LORD hath not spoken? ***When a prophet speaketh in the name of the LORD, if the thing follow not, nor come to pass, that is the thing which the LORD hath not spoken***, but the prophet hath spoken it presumptuously: thou shalt not be afraid of him.

If the prophet has been accurate in the past, we better listen to the message, even if we don't like it.

The proof that this message is from God: ***The thirteen prophecies foretold by the angel Gabriel to Dumitru actually came to pass.***

They are: 1. Dumitru would not die. 2. His enemy would die. 3. He would not get caught again. 4. He would carry Bibles for 4 more years. 5. He would be exiled to America. 6. He was given the year. 7. Month. 8. Day 9. Hour he would be exiled. 10. Someone would give him a bed. 11. Someone would pay his rent. 12. Someone would give him a car. 13. Someone would give him a bucket of honey.

I was born in a Christian family. My father was a pastor of a Pentecostal church. At the age of 17 I ran away from home. I went to Marine school. I stayed there for about four and a half years. I became a Marine officer. They gave me about 80 recruits. They shipped me out on the Black Sea. The Communist government told me to search the ships coming in from foreign countries. If I found any Bibles, confiscate them and arrest the missionaries.

They said, "Dumitru, if you do this, we will advance you quickly". When I heard I could become a big man, I started searching the ships faithfully.

One morning a ship from Holland came. I took eight men with me. In checking the ship, under a crate of cookies I found a great quantity of Bibles. I asked the captain of the ship whose Bibles they were.

He said, "I don't know".

I told him, "Don't worry. You will know".

When I looked on one side there was a man crying and praying to God. It was a missionary from Holland by the name of Dave. He worked with Open Doors. I went to him, and I asked him for his passport. I asked him, "Are these your Bibles?"

He said, "No".

I said, "Who do they belong to, then?"

He said, "They belong to your brothers and your sisters".

When he said this, it was like putting a knife into my heart. Then I hear a voice in my ear saying, "What are you doing, Dumitru? I put you here. Don't confiscate those Bibles. Don't you know your dad is a pastor? Don't you know your brother is a Christian?"

I looked around to see who was talking to me. And when I saw there was nobody, I started shaking. I didn't know what was wrong with me. I was embarrassed that I was shaking in front of the missionary. So I went into another compartment. I stuck my fingers in my ears so I would not hear the voice anymore. It got even louder.

"Go give him his passport, or I will punish you".

I went to the missionary, shaking. I told him, "Here is your passport. Your God answered your prayers. He spoke to my ear and told me to give your passport back. I will even send some men to protect you from the police". As I gave him the passport, the voice stopped, and I felt a peace in my heart. Then I realized it was the voice of God. Then I said, "Every man has an angel. The angel of God is near you".

I stayed on the Black Sea for two years. As many missionaries came through, they came through without fear. I was put there by God, and I would help them. After two years, the Communist government gave an order. All children of Christians must go home, no matter what rank. I had to go home very ashamed. Because I went to Marine school, I had a good job. Now I had to go back to my family's house.

When I got home, my mom saw that I was sad. She said, "What is wrong with you?"

I said, "Because of your Christianity, they kicked me out of the Army". Then I said, "Where is my dad?"

She said, "He is at church".

"I will go take revenge on him there", I said.

She said, "Hold on. He will be home".

I said, "Oh, I am going there".

When I got to church, I got to the door. I heard them sing a beautiful song. I will always remember it. I will tell you a verse of it. "A long time ago he came from above. The Good Shepherd, Jesus Christ. And through the World he traveled, looking for lost sheep". I was the lost sheep. I ran away from home because my dad would take me to church. Jesus Christ found me on the Black Sea and brought me back. I started crying, but I did not want to. I had three handkerchiefs in my pocket, and I wet them all. I felt something knocking on my heart. It was the hammer of the Holy Spirit. I looked around to see if anybody else was crying. My dad was crying. He was happy to see me in church.

I went to my dad and asked him, "Dad, why am I crying?"

And he said, "Be quiet, and I will tell you at the end of the service".

Then he told me to stand up. He said, "Dumitru, are you sorry that they kicked you out of the Army?"

And I said, "Yes, I am".

He said, "Look, Brothers, the answer to our prayers. We have been praying for two years to kick him out of the Army". Then he told me that God needs officers in his army also.

I said, "Let me get married, and then I will come to God".

He said, "Marry a girl from the church".

I said, "I have nobody to marry from here. They are all poor".

Then he said, "Go marry a rich one. Just come to God".

I went and married Maria. She was even poorer than the ones in the church. She promised she would come to God, too. We came to God. We committed ourselves. We prayed for ten days. God gave us the power from Jerusalem (the in-filling, or baptism of the Holy Spirit). God does not live in words. God lives in power.

After God baptized us with the Holy Spirit, I started preaching the WORD OF GOD. People came to God by the hundreds.

The Devil got mad at me and declared war, and my wife was blinded. When I saw that she could not see anymore, I became discouraged. I thought, "Is this why I came to God, so my wife would become blind?" I took her around to all the doctors. I spent all the money I had gotten in the Army - - for nothing. I came home very despaired.

My dad asked me, "Why don't you come to church anymore?"

I asked him, "Do you think I became a Christian so my wife will be blinded? I went with her to all the doctors and spent all of my money all for nothing".

He said, "Dumitru, I left you like this for a reason. Come to my doctor".

I said, "Who is it?"

He said, "It is Jesus Christ".

I said, "How?"

He said, "Let our family unite, and tonight I will ask who wants to help us in prayer and fasting".

So forty brothers united with us. We fasted for three weeks. Not American fasting. As ISAIAH Chapter 58 says, "Give the food for that day to a hungry person". No water, no juice, no coffee, no gum. When you are hungry, eat the Bible. When you are thirsty, get on your knees and raise your hands up and drink from the Living River.

When the fasting was over, my wife was in bed. The Spirit of God came and threw her out. She started thanking God, but she did not know the reason. Then my dad came into the house. She looked toward the door, and she could see my dad. She said, "Dad, I can see! I can see!"

That is how God works. When I came home, she came to me and said, "Dumitru, I can see! I can see!"

I looked into her eyes and saw they were clean. I said, "Our God is alive. When the Devil thought he could shut me up, Jesus Christ made it a victory".

Going through churches, I saw there were no Bibles. 600 to 800 members and if they had two or three Bibles, it was great.

I said, "God, what is this?"

I knew Bibles were coming in through the Black Sea. I asked the pastors, "Why don't you have Bibles?"

They said, "Oh, Brother Dumitru. The Bibles come in through the Communist hands. The Communists sell them to us. The next day they tell the police. The police confiscate them, which means we bought them for nothing".

The brothers would write verses down out of the Bible and sit outside the door. When you would come in, they would give you a verse of the Bible, and the brothers were glad. In America, libraries are full; shelves are full, and in your house, everywhere you look, there is a Bible. In many American homes, when I touch a Bible, my fingerprints are on it. I say, "Don't you even wipe the dust off? Don't you read the Bible? The mother of all books is the Bible. The Bible is the WORD OF GOD. With the WORD OF GOD in you, the devil cannot be victorious over you".

When I saw there were no Bibles in the churches, I spoke to my family. I went to the commander of the pier. I told him, "Mr. Commander, I got married. I have nothing to support my family". He hired me as a cook for two months. I went with the thought of meeting missionaries so the Bibles would not come into Communist hands anymore.

After about two months, I heard the same voice in my ear. "Dumitru, run to the pier. Dave is coming".

I left the kitchen and ran to the side of the ship. The first man who came out was Dave. I said, "Peace of God to you, Dave".

When he saw that I was a civilian, he started crying. He didn't know what had happened to me. He said, "Meet me in a hotel in the city", because Romanians could not talk to foreigners. If they catch me speaking with a foreigner, I would have at least six months' jail sentence. I went to the hotel. There we went into a room and prayed together. We went to the Capitol Bucharest. There I met Brother Andrew who works with open doors and Brother Worburt and Brother Harlan Popove. We spoke together and agreed to bring Bibles in. I would give them to the churches. With the help of God, in a period of three years most churches had Bibles.

When the Communist government found out, they closed the borders all around so no more foreigners could come in. So the churches kept on praying to God. This is why we need prayer. God sent a powerful rain in 1970. Over half of Romania was flooded. There were a lot of losses. People drowned, and factories went down the river.

When the Communist government saw this, they asked for the help of the foreigners, and they reopened the borders. Bibles started coming in freely. Nobody would check them anymore. For four years Bibles came in freely. They didn't have any more Romanian Bibles; so they brought in a lot of Russian Bibles.

I only lived nine miles from the Russian border. I had made a lot of Bible warehouses. I tried to take them over anyway. I tried, but we just couldn't. I came home very despaired. When my dad found me, he said, "What is wrong with you? Are you sick? Why is your face so pale?"

I said, "I am not sick. I have so many Russian Bibles. I don't know where to put them anymore. I want to take them to Russia, but I can't".

He said, "You want to?"

I said, "Yeah, me".

He said, "Did you pray first?"

"No".

"Oh, did you ask God?"

"No", I said.

He said, "That is why you could not take them over. Fast and pray, and God will come to show you". So that is what we did. We decided to fast.

A man came to me and said, "Dumitru, wake up! You want to take Bibles to Russia?"

I said, "Yes, I do".

He gave me the address. He told me who to talk to. He said, "When you get there, tell them you were sent by the one who was there earlier. I will be ahead of you".

I jumped up and got dressed, and I ran to my dad's house. I said, "Dad. Dad, look what I found!"

He said, "Go and we will pray".

We got there at eight o'clock in the morning. It was a train station on the border. There they changed the train axles on the trains. The train rails are wider in Russia than they are in Romania. While they were changing the axles, we had time to put the Bibles in the wagons. When I got there, I knocked on the door.

I said, "Good morning, sir".

He was shaking all over. He said, "What do you want me to do for you?"

I said, "I was sent by the one that was here before".

When he heard that, he started shaking even more. He said, "Well, what do you want me to do?"

I said, "I want to take Bibles into Russia".

He called me in. He told me what to do, how to load the Bibles in. That is what we did. In fifteen years we took more than 300,000 Bibles into Russia, not including literature and New Testaments. It was not us. It was Jesus. When we got in trouble, the angel of God would come to help. He was not helping because of our trouble but for the work of God. Hallelujah!

Then we heard that the brothers of Kishno, Russia, were arrested. Their families were taken forcefully to a big valley called the "Black Valley". When we heard this, Brother Burshnov from Holland and I left for Kichinow. They had been arrested in 1980. They had not escaped yet. When I got there, we could not find their families. So 80 brothers gathered in a cellar and fasted for three days and three nights - - no water or food until the angel of God came.

He said, "Come with me. I will show you where the families are".

We arrived at two o'clock in the morning. We found little children on their knees. They had their little hands raised and crying, saying, "God, have mercy on us!"

After we found them, we went back to Kichinow and made a love offering, and we gathered 50,000 Rubles - - which is big money. We bought them everything they needed. We loaded up two cars and went toward the Black Valley. We were followed by the Russian spies. The police kept on gaining on us. We were saying, "God, don't let us down". So it started sprinkling on us. It was hailing great hailstones on the police in the car behind us. The hail broke out the windshield. They could not follow us anymore. We unloaded, and it was a great joy for them.

When we got back to Kichinow, the police blocked the road so they could catch us. I did not have a passport; so they caught me. They put me in the Russian jail. They kept me in Russia for a while. They put me in among the criminals. They told the criminals in Russian to do anything they wanted to me. I was a Christian. I know the Russian language. I understood every word they said.

After they threw me in, I said, "Brothers, we are all brothers here. We are all condemned here. Don't do what the police say. I know someone who can come to free us". I started telling them about Jesus, about how Jesus Christ will come to free them. They all started crying. God softened the criminals' hearts.

When the police saw there was no yelling, they found out what was going on. They kicked me out of there. They put me in a cell all alone. When they would open the door, I would tell them, "Come to God, or you will go to hell". They kept me there until the Romanian police called me. They did not beat me. They treated me real nice. When the Romanian police called, I had to go home.

When I got home, my house was surrounded by the police. The police were already checking inside. They had my wife with her face against the wall and my daughter with her face against the wall. They put me with my face against the wall. They started checking the house at eight o'clock in the morning and finished at four o'clock in the evening. They came with all kinds of equipment looking for Bibles. I had a large quantity of Russian Bibles at my house. I thought they had found them. At or about four o'clock they came and said, "Dumitru, turn around. Where do you have the Bibles?"

I thought they had found them. I said, "Did you find them?"

They said, "No".

"Well, if you did not find any, that means I don't have any".

They said, "Where do you have your warehouses?"

I said, "Do you think I have a Bible factory or something?"

They said, "Don't worry. You will tell us".

God had broken their equipment and blinded their eyes. They walked over the Bibles, and they couldn't even see them. That's how God protects the Bibles.

They took me to the police station. They put me in a very dark cell. I could not see the walls. They said, "You will stay here until you tell us everything".

After a time I heard somebody open a door. I asked, "Is there anybody in here?" I heard a squeak like a rat squeak. I said, "What kind of animals do they have in here?"

I felt something crawl up my leg. When I touched it, it was a rat about a foot long. I would take one or two off, but they would get back on. When I saw this, I was scared. In my despair, I yelled as loud as I could, "God, don't let me down".

When I said this, a powerful light appeared in the room. The light was so powerful I could not look at it. Out of the light I heard a voice. "Dumitru, don't be afraid. I am with you. Look at me".

When I raised my head to look, the power of the light threw me down.

"Dumitru, look at me".

I said, "Who are you?"

He said, "I am the angel Gabriel. I am the messenger of Heaven. I came to help you. Look at me".

When I looked, I saw a man dressed in shiny clothes. He had a wide belt around his waist. He had a helmet on his head. In his hand he had a sword which was flaming.

He said, "Dumitru, don't be afraid. You will go through many tortures, but I will be with you". He said, "Look around".

When I looked around the room, I saw a whole floor of dead rats. At that time the light disappeared.

Then somebody knocked on the door and opened it. They said, "Are you still alive?"

I said, "Yes. Are you trying to have me be dinner for the rats or something?"

When he turned on the light, he saw all the rats dead. He came to me and hit me with something over the head. I fell down.

He said, "You killed my children. Now I am going to kill you".

He pulled me out by the feet and took my shoes off and put me in a very tight cell. A cold river of water was underneath, and over it they had iron bars. They said, "You will stay here until you tell us".

Water was dripping down on my head from the ceiling. I could not feel my head anymore, and my legs were very swollen. When a policeman opened the door, I fell down. They pulled me out and said, "What is wrong with your feet? Oh, we know. You are cold. It is okay. We will heat you up".

They tied me by the waist and pulled me up. With rubber hoses they beat my cold feet. Brothers, I don't have time to tell you everything because the tortures lasted for five months. They would close the door on my fingers and poke me with needles under my fingernails. They did all kinds of tortures. They

would tell me to confess where I got the Bibles, who brought me the Bibles, how I took them to Russia, who helped me to take them. In my ear was the same voice from the ship.

"Dumitru, don't tell. Don't confess".

You ask yourselves, why did I endure this torture? If I would have told, hundreds of brothers would have to be arrested. Then many of their children would have starved to death. Then the work of God would have been stopped.

I said, "I will die. I will not betray anybody". After five months of torture, I would not tell them anything.

They took me into a room. There they had a very unusual chair. They said, "Do you see this chair? We brought it from Germany especially for you! Tell us now, or you are going to die on that chair".

I said, "Even if I die, I have nothing to tell you".

They tied my hands behind the chair. They tied my feet around it. Then they put something under my feet. They tied something over my heart. They stuck a big bowl on my head. Then they stuck two things in my ears.

They said, "Think what you did. You are going to die now".

They plugged it in. I felt such a powerful shock that all of my body, it felt like pins and needles were going through it. I couldn't see anymore. I thought, I am going to die.

When I thought, I am going to die, the same light appeared. It said, "Dumitru, don't be afraid. You won't die. Plead 'the blood of Jesus'".

I started saying, "The blood of Jesus, the blood of Jesus". When I woke up, I was lying down. My eyes and mouth were full of blood. They were throwing cold water on me and slapping me around.

They said, "Now you told us everything. I have equipment that recorded everything you thought". They said, "Listen".

They plugged it in. I heard my voice, "The blood of Jesus, the blood of Jesus". The blood of Jesus was victorious.

They said, "Why did you say this?"

I said, "Because you want to kill me".

They said, "We will still kill you".

The next day they brought my wife in. They put her in the room next to me so I could hear that she was there. They said, "Maria, do you want us to let Dumitru go?"

She said, "Yes".

They said, "Dumitru told us everything. He told us where he has the Bibles, how he took them to Russia - - everything. You give a confession, too - who brought him the Bibles, how he took them to Russia, who helped him to take them, where he has them, and we will let Dumitru go".

God didn't let Maria down. She said, "If Dumitru told you, then he knows. I don't know anything about it".

They started beating Maria. I don't know how long they beat her. She fell into a coma. They took her into their arms and put her into the car and took her home. Then they came to me.

"Dumitru, did you hear that Maria was here?"

I said, "Yes. I heard it when you were beating her".

They said, "She told us everything. We took her home. You tell us, too. We will take you home also".

"If she told you, she knows. I don't know anything about it".

They said, "Oh, so you and she have a deal".

Then they put me on the electric chair once again. They did the same thing with me. They turned the power up even higher. When I thought I was dead, again the angel of God came.

"Dumitru, don't be afraid. **You won't die. Plead 'the blood of Jesus'. Your enemy will die.** You will live. You have to go through one more powerful torture; then I will take you out of their hands".

Then I began to plead "the blood of Jesus".

When I woke up, I woke up the same way, full of blood. They slapped me around again and poured cold water on me. Then they said, "Now we have everything".

Again I heard my voice, "The blood of Jesus, the blood of Jesus".

They said, "This time I will kill you".

He picked up the phone, and he called the six policemen. This is all I heard: "Kill him".

They jumped on me with their feet. They mashed me up so bad that nine of my ribs were cracked. All of my body was like meatballs. I fell in a coma. When I woke up, a doctor was giving me a shot in the right hand. He said, "Dumitru, your God still let you live".

Then another officer came yelling, "Hurry up. The colonel is dying". The doctor left me and ran.

After about half an hour, another colonel came with a humble voice. He said, "Dumitru, can you get dressed?"

I said, "Why?"

He said, "You are going home".

I said, "Why? Did you finish killing me already?"

He said, "Your God gave you judgment. **Colonel Prestov died**, and the commander told me to take you home fast".

I said, "How did he die?"

"He had internal bleeding and fell down and died".

They put me into the car and took me home. I could not stand up on either leg. I was completely destroyed. My wife didn't even know me. She filled the bed with pillows. They put me in bed for three months. Then I called death to come; that is how much I suffered. I said, "God, just kill me". He would not.

Missionaries came from all over the world. They would take pictures and leave. The brothers would pray around my bed. After three months I thought there was no more hope. My family was asleep, and all the brothers had left me. I heard the same voice, and the same light appeared and said, "Dumitru, get up. Get out!"

I jumped up out of bed and ran outside. I felt myself to see if I still hurt. Nothing hurt anymore, and I could walk. I thought, What happened to me? Am I dreaming? Is this true? I went into my room and found the angel of God.

"Dumitru, do you still hurt?"

I said, "No".

"Dumitru, can you walk?"

"Yes".

"Then start working. You have four more years to carry Bibles. The police will follow you step by step, but I will be with you. I will blind their eyes. They won't catch you. When they see they can't catch you, they will kick you out of your country".

He said, "***You will be exiled July 22, 1984, at 10 a.m. You are going to America to give them a message from God***".

For four years I carried Bibles into Russia. ***I would pull up to the border checkpoint with so many Bibles in my car there was no room for anyone to sit. The border guard would say, "Dumitru, what do you have in the car?"***

I would say, "Bibles".

He would say, "Stop making fun of us! Go on, get out of here". They couldn't see them.

The day I was kicked out of Romania, all of my family were watching the time. ***July 22, 1984, at exactly 10 a.m., the airline stewardess picked up the plane's microphone and said, "Welcome to flight number. . ". just as the plane was departing from the gate, exactly as the angel of God had told me.***

They took me to Italy, and I stayed in Italy for a while. They sent the police to kill me there, too, but the angel of God protected me.

With the help of God and the help of the American embassy in Italy, I came to California. I didn't know anybody, and I was accepted very badly. I was accepted by a Russian organization named "Tolstoy". They took me to the apartment I now live in. The apartment was very dirty. Dogs had lived there before. The carpet stunk powerfully. There was no bed, no table, no chair, nothing. I was in despair. I didn't know what to do. I went to other buildings that said "for rent". They would say, "Do you have any children?"

And I would say, "Yes".

"We don't accept anybody with children here!"

I said, "What kind of people are these? They keep dogs in the house, and they don't want children?"

I came home very sad. I told my wife, and my wife started crying. My daughter was crying. The children had fallen asleep on the suitcases. I walked around the building saying, "Why, God, did you punish

me? Why did you bring me to this country? I can't understand anybody. If I ask anybody anything, I can't understand them".

It was late at night, and I couldn't stay inside because of the smell. I was sitting outside on a rock. The light came toward me. The fear of cars started coming within me because the Romanian police always followed me with cars. That's why I jumped up. The light surrounded me. Out of the light I heard the same voice (that was with me in jail and in my house in Italy). It said, "Dumitru, why are you so despaired?"

I said, "Why did you punish me? What did I do that was so rotten that you brought me to the United States? I have nowhere to lie my head down upon. I can't understand anybody".

He said, "Dumitru, didn't I tell you that I am here with you also? I brought you here to this country because this country will burn".

"Then why did you bring me here to burn? Why didn't you let me die in my own country?"

"Dumitru, have patience, and I will tell you. Get beside me".

I don't know what it was, Brothers. I got beside the angel. He showed me all of California. He showed me all the cities of California. Then he showed me Las Vegas. "You see what I have shown you. This is Sodom and Gomorrah. In one day it will burn". He said, "Its sin has reached the Holy One".

He showed me another great city. He said, "Do you know what city this is?"

I said, "No".

He said, "This is New York City. This is Sodom and Gomorrah. In one day it will burn".

He showed me Florida. He said, "This is Florida. This is Sodom and Gomorrah. In one day it will burn".

He didn't let me say a word until he brought me back to the place we had left. He said, "Now, Dumitru, you can talk to me".

He said, "I brought you to this country, Dumitru. I want to wake up a lot of people. I love this country. I love the people. I want to save them. America will burn".

And I said, "How can I save them? I can't even speak their language. Who knows me here? How will they call me?"

He said, "Don't worry. I will be ahead of you. I will make great healings amongst the American people. You will go to television stations, radio stations, and churches. Tell them everything I tell you. Don't hide anything. If you try to hide anything, I will punish you. America will burn".

"How will America burn? It is so powerful".

He said, "The Russian spies have discovered where the most powerful nuclear missiles are in America.

"It will start with the world calling for 'peace, peace'. Then there will be an internal revolution in America, started by the Communists. Some of the people will start fighting against the government. The government will be busy with internal problems. Then from the oceans, Russia, Cuba, Nicaragua, Central America, Mexico, and two other countries (which I cannot remember) will attack! The Russians will bombard the nuclear missile silos in America. America will burn".

I said, "What will you do with the church?"

He said, "The church has left me".

I said, "How? Don't you have people here?"

He said, "People honor people. The honor that should be given to God, they give to other people. Americans think high of themselves. They say, 'I work', but they don't. In the church there is **divorce**. In the church there is **adultery** and **fornication**. In the church there is **sodomy**. In the church there is abortion and all kinds of sin. Jesus Christ doesn't live in sin. He lives in **HOLINESS**. I brought you here so you could cry out loud. Don't be afraid. I am with you. Tell them to stop sinning. God never stops forgiving. Tell them to repent. He will forgive them. Tell them to start preparing themselves so I can save them in the day of trouble".

Brothers, these aren't fairy tales. I didn't come here to ask you for money. I didn't ask God for money. I came here to tell you the message of God. If you call me, God loves you. That's what the angel of God told me. "Whoever I love, I want to wake up. I will put on their hearts to call you. Don't hide anything, or I will punish you". Stop sinning and repent. He will forgive us, and we will have salvation.

I said, "How will you save the church if America will burn?"

He said, "Tell them as I tell you. As he saved the three young men from the oven of fire and Daniel from the mouth of the lion, that is how I will save them. Tell them to stop sinning and repent. I have blessed this country because of the Jews that are here. I have seven million Jews here. They haven't tasted war or persecution. God blessed them more than anyone else. Instead of thanking God, they started sinning and doing wickedly. Their sins have reached the Holy One. God will punish them with fire".

Israel doesn't recognize the Messiah because they place their trust on the power of the Jews in America. When God will hit America, all the nations will be terrified. God will raise up China, Japan, and many other nations, and they will beat the Russians. They will push them back to the gates of Paris. There they will make a peace treaty, but they will make the Russians their leader. All the nations with the Russians as their leader, will go against Israel. It's not that they want to; God makes them.

Israel doesn't have the help of the Jews in America anymore. In their terror, when they see what is coming, they call upon the Messiah. The Messiah will come to help Israel. Then the Church of God will meet him in the clouds". (1 Thes 4:16)

Are you ready to meet Jesus Christ? Are your wedding clothes clean? If there are still spots on the clothes of your soul, then the blood of Jesus Christ still has power to cleanse sins. Jesus Christ will live with the church on the Mount of Olives. He himself will fight against all the nations.

I said, "If you are the angel of God, everything you tell me has to be written in the Bible. If it is not, then I can't tell the Americans".

"Tell them to read Jeremiah 51:8-15. He named it **THE MYSTERY BABYLON, THE GREAT ADULTERESS**. Also read Revelations Chapter 18, the whole chapter. There it says clearly what will happen to America".

"Why did He name it **THE MYSTERY BABYLON?**"

"Tell them because all the nations of the world immigrated into America, and America accepted them. America accepted Buddha, the Devil Church, the Sodomite church, the Mormon Church, and all kinds of wickedness. America was a Christian nation. Instead of stopping them, they went after their gods. Because of this, He named them **THE MYSTERY BABYLON**."

"So that you know I truly have been sent by God, tomorrow at 9 a.m. someone will come to give you a bed. At 10:30 someone will come to pay your rent. At noon someone will bring you a car and give you a bucket of honey".

Brothers, it happened as the angel had said. At 9 someone rang my doorbell and said, "I brought you a bed. I could not sleep all night long. God told me that you were from Romania and that you need a bed". At 10:30 someone else rang my doorbell and handed me a check for \$500 and said, "God told me to bring you \$500". At noon someone came and gave me a car and a bucket of honey!

We have to be careful not to think it is not true. A guy says it is Moscow, but it isn't. Read Revelation 18. It says, "You who sit like a queen, you will never know how you will be widowed. Because of this, in one day, there will be death, famine, and you will be consumed by fire". You might say, "Why?" We trust in God! We have God on our side! On our dollar bill it has "We trust in God". How are our lives? We go after the foreign Gods. The American church has adultery, fornication, sodomy, divorces, and abortions. If we repent with all of our hearts and call Jesus to help us, we will stop sinning. We know that when Jesus comes, we will meet him in the clouds.

The angel also said, "**Before the internal problems begin in America, your country (Romania) will have a revolution. Fulfilled December 22, 1989.** [EDITOR'S NOTE: **Dumitru told me about the revolution in March of 1988, over a year before it occurred!**]

JEREMIAH 51:7. **Babylon hath been a golden cup in the LORD's hand**, that made all the earth drunken: The nations have drunk of her wine (evil); therefore, the nations are mad. 8. Babylon is suddenly fallen and destroyed: howl for her, take balm for her pain so she may be healed. 9. We would have healed Babylon, **but she is not healed**: forsake her and let us go every one into his own country, for her judgment reacheth unto heaven and is lifted up even to the skies. 10. The LORD hath brought forth our righteousness: come and let us declare in Zion the work of the LORD our God. 11. Make bright the arrows; gather the shields: **the LORD hath raised up the spirit of the kings of the Medes (Iraq and Iran), for his device is against Babylon, to destroy it**, because it is the vengeance of the LORD, the vengeance of his temple. 12. Set up the standard upon the walls of Babylon, make the watch strong, set up the watchmen, **prepare the ambushes**: for the LORD hath both devised and done that which he spake against the inhabitants of Babylon. 13. O thou that dwellest upon **many waters, abundant in treasures**, thine end is come and the measure of thy covetousness. 14. The LORD of hosts hath sworn by himself, saying, Surely I will fill thee with men, as with caterpillars, and they shall lift up a shout against thee.

REVELATION 18:1. And after these things I saw another angel come down from heaven, having great power, and the earth was lightened with his glory. 2. And he cried mightily with a strong voice, saying Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. 3. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. 4. And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. 5. For her sins have reached unto heaven, and God hath remembered her iniquities. 6. Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double. 7. How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. 8. Therefore shall **her plagues come in one day**, death, and

mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her. 9. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning. 10. Standing afar off for the fear of her torment, saying, Alas, alas that great city Babylon, that mighty city! For ***in one hour is thy judgment come***. 11. And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise anymore. 12. The merchandise of gold and silver and precious stones and of pearls and fine linen and purple and silk and scarlet and all thine wood and all manner vessels of ivory and all manner vessels of most precious wood and of brass and iron and marble. 13. And cinnamon and odours and ointments and frankincense and wine and oil and fine flour and what and beasts and sheep and horses and chariots and slaves and souls of men. 14. And the fruits that they soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all. 15. The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing. 16. And saying, Alas, alas that great city, that was clothed in fine linen and purple and scarlet and decked with gold and precious stones and pearls! 17. For ***in one hour so great riches is come to nought***. And every shipmaster and all the company in ships and sailors, and as many as trade by sea, stood afar off. 18. And cried when they saw ***the smoke of her burning***, saying, What city is like unto this great city! 19. And they cast dust on their heads and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! For in one hour is she made desolate. 20. Rejoice over her, thou heaven, and ye holy apostles and prophets, for God hath avenged you on her. 21. And a mighty angel took up a stone like a great millstone and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down and shall be found no more at all. 22. And the voice of harpers and musicians and of pipers and trumpeters shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found anymore in thee; and the sound of a millstone shall be heard no more at all in thee. 23. And the light of a candle shall shine no more at all in thee, and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for they merchants were the great men of the earth: for by thy sorceries were all nations deceived. 24. And in her was found the blood of prophets and of saints and of all that were slain upon the earth.

Here are just a few of the things you are probably not being told: Just yesterday, February 5, 2022, the prime minister of Israel flew to Russia to speak to President Putin. After a 3 hr. meeting he left. NOTE that he flew over there on the SABBATH which would indicate it's extreme importance. Immediately upon leaving Russia the prime minister "warned all citizens of Israel to leave Russia immediately." I don't need to tell you what this means. This war is coming very soon, and your only hope and safety is trusting the Lord. Read Mr. Dudumans story above, He asked "How will you protect your people if America burns?" the answer was "The same way I protected the 3 men in the fiery furnace"

We serve a wonderful, Loving, and Powerful God. He has done so much to warn us to get ready, please seek Him while he can yet be found. Amen.
